## The Freehold Jewish Center
Centennial Walk
next 100 years Centennial Brick campaign

Join us as we build a stronger Jewish Center dedicated to the next 100 years.

The Future is now!

The century old (founded in 2011) Freehold Jewish Center (FJC) is poised to continue a legacy of being a leader in Central Jersey's vibrant and diverse Jewish community and beyond.

Join us as we upgrade our beautiful facility with much needed interactive technologies, multimedia communication and performance systems which will inspire creativity and imagination through arts and education. The FJC is dedicated to *Family, Faith and Tradition* and that dedication continues to be our cornerstone.

Your investment in a personalized engraved *Centennial Brick* will insure that we will serve the Central New Jersey and Greater Monmouth County community in ways never before imagined.

THE NEXT 100 YEARS ARE UP TO US!

Your personalized brick will be installed in our Centennial Walk dedicated to the *next 100 years* and leading directly to the front entry of the Freehold Jewish Center. Your brick(s) can celebrate a simcha, a birth, a marriage or anniversary, or can be in honor of a loved one(s). The possibilities are as endless as your imagination. Once installed you will be notified by email, text or first class mail with an image of your brick(s) in place. Allow 6 to 8 weeks for delivery and installation. Your purchase of a Centennial Brick will make you a permanent part of a great legacy and a dynamic, inspiring future.

Price: 1 Centennial Brick - $180.00, 2 Centennial Bricks - $325.00, 3 Centennial Bricks - $450.00
